Fringe:

Cut fringe in lengths of 12 to 14 inches, 8 to 12 per yarn type. Attach 2 to 3 doubled fringe lengths (4 to 6 of the yarn located in the center band) at each end on the matching stripes with a crochet hook, and knot fringe yarns of the same type together with an overhand knot, approximately one inch from the end of the scarf. Trim to a matching length.

Soak in warm water with a drop of shampoo or wool wash, roll in a towel or spin in the washer, and pin out flat to dry. Note: You may wish to attach the fringe after you block it, to keep it from getting tangled during blocking.
