The order in which you use the yarns is not critical. However, it is suggested that you use Yarn A for the band (Rows 1-9) because it is the softest yarn in the bundle and that will be against the wearer's forehead!

The hat band measures approximately 17 inches around (stretches to 22+). The hat is approximately 12 inches from the band to the top.

Cast on 84 Stitches with Yarn A. Join in the round, being careful not to twist.
